

2022 Parish Council Annual Report Survey

ID. Name, login or ID of respondent
name

Hazel DeGazon

Welcome to the 2022 parish council annual report survey site. This year, there will be one survey with 13 sections. The first 12 sections will be devoted to an executive position and the final section will ask questions related to the strategic plan and how parish councils are moving toward the future of the League.

We trust this survey will be easier to complete by lessening the number of questions to six (6) per executive position/standing committee and by eliminating the number of users required to complete the survey to one (1) per parish council.

We suggest that you print the survey and gather together as an executive to answer the questions. Designate one of your team to input the answers.

Your answers help to tell the story of the League in 2022. Without you, the story would be incomplete.

Please let us know in the comments section at the end, if the survey design this year made the process easier.

Yours in Christ,
Shari Guinta
National Chairperson of Organization

Q6 What most excites you about the upcoming (January 2023) changes to the League's structure and future of the League? This question requires an answer.

The challenges we will face to bring in new, younger members, and the challenges trying to change the mindset of older members.

Q7 How are you preparing for these changes? This question requires an answer.

During our past meetings we raise new ideas to get a feel for it. I think our older members are starting to realize the need to change.

Q8 Have you asked for diocesan/provincial guidance to address the new structure, and if so, how helpful was the guidance provided?

Yes, and it was very helpful.

Yes, however, we could use more guidance.

Yes, and it was somewhat helpful.

Did not ask.

Q9 How is your council working with the theme *Catholic and Living It*? This question requires an answer.

With respect to sharing with our community is slow, after covid. Most of our members are much older and cannot take too many risks.

Q10 How has your spiritual advisor shown support for the League? This question requires an answer.

She updates us with the latest on Development and Peace, reviews some of the spiritual literature, keeps abreast with those who need intercession (special intentions) and advises our team via emails and our webpage. We also get assistance in this capacity from our committee members and keep our members in the know.

Problem is this creates many emails, and they are not too keen on receiving so many emails.

Secretary

Q11 Do you read your monthly minutes at each meeting?

Yes.

No. - only at some meetings.

The minutes are sent out ahead of time via email attachment for review, prior to the next meeting.

Q12 Do you keep your membership up to date with special events?

Yes.

No.

Q13 Do you prepare and send to members a quarterly report of all activities of the council?

Yes.

No. I do not send quarterly reports to our phone-tree members. However those with emails are abreast of the latest updates

Our Team is looking into having an automated phone messaging system call in updates to our members without email. Once a year we send an update and rely on the magazine posted to them from CWL National.

Q14 Is there any information you would like to share about the position of secretary? If yes, please describe. If no, please skip to the next question.

As you are aware, we do not have many volunteers for our CWL Executive team. It has been actually mainly two (2) members covering the roles. COVID did quite a number on us. This is why it is very essential for us to get younger members on board.

Summary

Thank you for participating in this year's annual report survey. The work of every council, whether large or small, active or prayerful, builds the story of the League's journey in 2022.

Q84 Please take a moment to let us know if you found this streamlined report easier to complete than in previous years. Your suggestions will be taken under advisement for next year.

It was very long, but incorporated all Roles. So saves time.

Q85 Is there anything else you would like your national board to know?

Thank you for taking this survey. Your input helps the board to understand the priorities of councils for future planning.

There are four buttons at the bottom of this survey.

- Use "RESET" to erase your answers and start over.

- Use "SAVE" if you have begun the survey but wish to complete it at a later time. Your responses will be saved.

- Use "PRINT" to keep a copy of your survey your records. Ensure pop-ups are enabled on your device.

Once the print copy is open, right click to either save the document as a pdf or print it to your local printer. If you are unsure of how to do this, please contact national office and we will assist you.

- Use "SUBMIT" once you have completed and printed the survey. Surveys that are not submitted are not included in the final report. You will receive a message on your screen that the survey has been submitted if you have completed this step.

WARNING: Once "submit" has been pressed, the "print" function is no longer available.
